A 'Fill in player' is a player who was not listed on the original 'Team Nomination Form' and does not intend to play the entire season.

- A 'Fill in player' will be able to play 1 match per 'match fee voucher'.
- The 'match fee voucher' charge (\$8 per match) will be invoiced to the Club the player is playing for
- A 'Fill in player' may play up to 4 matches via the 'match fee voucher' system during Rounds 1 – 15.
- When a 'Fill in player' plays their 5th match, during Rounds 1 – 15, the Club will be invoiced full player fees. Any 'match fee vouchers' paid for are NOT refundable nor can they be offset against the full fees.
- A 'Fill in player' who plays less than 5 matches during Rounds 1 – 15, may still participate in finals providing the SADNA permit conditions are satisfied. If a permit is granted for a finals match, then a 'match fee voucher' will be applicable.
- A 'Fill in player' can be upgraded to a 'full player' (full membership fees are charged) at anytime prior to their 5th match. Any 'match fee vouchers' paid for are NOT refundable nor can they be offset against the full fees. Full fees will be charged to the Club.
- A 'Fill in player' must complete **one only** Mid Season Player Registration form on the **first** night/day of competition being played. **This form must have all information entered relevant to the player. If the player is currently playing or has played in another affiliation e.g. AMND, EDNA this information must be added, including dates.**
- In the event that a player is injured whilst playing under the voucher system, the injury details must be advised to the SADNA Office on the day/night the injury occurred.
